

Preliminary Programme • Intermetallics 2023

Monday, 02.10.2023 School on Thermodynamics of Intermetallics*	Tuesday 03.10.2023	Wednesday 04.10.2023	Thursday 05.10.2023	Friday 06.10.2023
Seminar room 1	Seminar room 1	Seminar room 1	Seminar room 1	Seminar room 1
09:00–10:30	09:00–10:30	09:00–10:30	09:00–10:30	09:00–10:30
Phase diagrams and phase transformations	Session 1	Session 6	Session 8	Session 13
Coffee break	Coffee break	Coffee break	Coffee break	Coffee break
11:00–12:30	11:00–12:30	11:00–12:30	11:00–12:30	11:00–12:30
Key experiments and experimental techniques	Session 2	Session 7	Session 9	Session 14
Lunch	Lunch	Lunch	Lunch	Lunch bags
14:00–15:30	14:00–15:30	14:00–22:00	14:00–15:30	
The CALPHAD method	Session 3	Bus tour Kulmbach with guided tours and conference dinner	Session 10	
Coffee break	Coffee break		Coffee break	
16:00–17:30	15:50–17:05		15:50–17:05	
Theory-guided materials design of intermetallic compounds	Session 4		Session 11	
Foyer	Coffee break		Coffee break	
18:30–20:00	17:25–18:40		17:25–18:40	
Get together	Session 5		Session 12	
Seminar room 1	19:00–21:00			
20:00–21:00	Poster session			
Conference opening and opening talk				

* The school is especially intended for students and young scientists, the possible number of participants is limited. A registration is free of charge and necessary.
